Photographs Were Taken at
The Time of Purchase

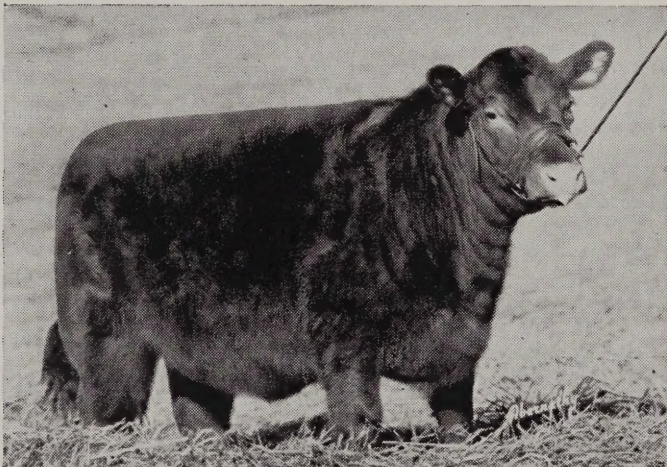

ASHBOURNE AUGUSTA 13th. Purchased for \$1,000 in the 1955 Edellyn Farms sale. Sire: Saltoun Royal Aristocrat. Her yearling son by Beaufort Bulldozer also sells.

NAEMOOR CINDERELLA PLACK, left, an imported daughter of Crugleton Prince Bob. She cost \$3,700 in the 1953 Campbell Farms sale in Canada. Two daughters also sell, one by Calrossie Cock Robin, one by Coronet Max Juggler 15th x.

Right: JANESWAY GLOSTER 16th x. Bought in the 1952 Oakwood Farms sale at \$1,600. Has a heifer calf at side by Louada Developer, and a daughter by Camson Prince Bob sells separately.

Left: LYNNWOOD DAYBREAK B 8th x sells. Member of one of the most famous Lynnwood families. Cost \$650 as a yearling in an Indiana State Sale. Also her three-year-old daughter by Louada Developer.

Below: R G LEADER'S ROSEWOOD x sells. Reserve champion of 1953 Indiana State Sale that cost \$700. Will calve before sale day to Louada Developer. Also selling two daughters, one by Coronet Max Juggler 15th x, one by Louada Developer.

**A Few More
of the
Great Females
Selling**

Left to right, Thorp Metz, Williamsville, Illinois; P. S. Bailey, owner, Creekland Farms; and Grant Campbell, Moffat, Ontario, at the 1955 Creekland sale.

The friendships with Shorthorn and Polled Shorthorn breeders throughout North America has been one of the most pleasant experiences of my life. For this reason, while it is not customary to guarantee cattle sold in dispersions, we are going to sell under the Standard Guarantee. We know we have no breeding problems, but in the event some breeder does obtain an animal that does not breed, we do not want him to suffer simply because this is a dispersal.

My reason for selling the herd is simple. It has become increasingly difficult for me to find time to do those things that are so enjoyable for every breeder . . . attend shows and sales and make a wider acquaintance among the fine people in the Shorthorn business. I hope later on my own duties will not be as pressing and that I will be joining the ranks of breeders again. I thoroughly believe in Shorthorns and Polled Shorthorns and what they can do for the Southeast.

It is a source of pride that the name Creekland will long appear in Polled Shorthorn pedigrees, particularly through the bulls that have gone into such strong herds. We are pleased, too, to have played an important role in the expansion of the breed in the Southeast. The first Creekland production sale in 1955 was the first sale of the breed in modern times in South Carolina.

We hope the sale of the herd will provide the incentive for you to be with us.

Try to arrive the day before the sale for a leisurely view of the herd. We would like all of you to be with us the evening before the sale for a buffet dinner to be held at the Lakeside Country Club at 7 p.m.

P. S. Bailey

GENERAL INFORMATION

TIME AND PLACE—Saturday, April 19, 1958. The sale will start at 11:30 a.m. Lunch will be served on the grounds starting at 11:00 a.m. The sale will be held at Creekland Farms. The farm is located 6 miles northeast of Clinton on S. C. 56, then 1½ miles east.

SALE HEADQUARTERS—A small convention will be held in Clinton at the time of this sale. The Mary Musgrove Hotel will be the official sale headquarters for messages, etc., but their room facilities will be scarce. We have made arrangements with several excellent motels in the area and we will be in a position to have first class facilities available for everyone. It will help us greatly if you will write and give us the number that will be in your party, when you plan to arrive, etc. Address correspondence to Walter Shuman, Creekland Farms, Clinton, South Carolina.

TRANSPORTATION—Clinton is located on U. S. 76, S. C. 56 and 72. It is also on the main line of the Seaboard Air Line Railway. There is excellent plane service to nearby Spartanburg (Delta and Eastern). Also, service to Greenville and Columbia, slightly farther away. We will be glad to meet your plane and take you back to any of these points. Please notify us well in advance.

HEALTH—The Creekland Herd is federally accredited for Bangs, Certificate 904. Health certificates will be provided with each lot sold. Calfhood vaccination is practiced in the Creekland herd.

FARM PHONE—Clinton, 1061-W-1.

GUARANTEE—Despite the fact that this is a complete dispersion all cattle will be sold under the Standard Guarantee. A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam. Where footnotes appear in this catalog, they were furnished by the owner or written from information supplied by the consignors. The owners shall not be responsible or liable for any accidents that may occur but will make every effort to provide for the safety and comfort of their guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained for the specific tasks of handling the publicity and preparing the catalog. Neither the sale manager nor the clerk assumes any liability.

AUCTIONEERS—C. D. Swaffar, Tulsa, Oklahoma; Don Smock, Indianapolis, Indiana; Ray Brockinton, Haddock, Georgia.

SALE MANAGER—Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

MAIL BIDS—Those wishing to buy who cannot be present at this sale may send their bids to any of the following representatives or to the auctioneers listed above; R. G. Heine, Southeastern Representative, American Shorthorn Breeders' Assn., 1730 Sharon Road, Tallahassee, Florida; Scott Wilson, Southern Livestock Journal, Macon Georgia; and Don Longley, the Shorthorn World, 16 South Locust Street, Aurora, Illinois.

Sale Starts at 11:30 A. M.

Because of the large number to be sold this sale will begin promptly at 11:30 a.m. The cattle will be sold rapidly with a minimum of comment. The auctioneers have been instructed to sell at no slower than the rate of one lot every three minutes. The sale should be concluded by four p.m.

Lunch facilities will be opened shortly before 11 a.m. and will be open during the sale.

Dispersions, while regrettable, always provide the springboard by which great herds can be founded and existing herds strengthened. Here it is possible to study the foundation females chosen with such care, their performance in the herd, and to purchase with the knowledge that nothing is being held back. Every herd has a program of herd replacement with the best heifers out of the best producing cows and only a dispersion provides the opportunity to buy them.

A careful study of this catalog will reveal the great effort put into this herd foundation. With rare good fortune, Creekland's first principal herd sire, Louada Developer, proved to be a sire whose influence will never be lost to the breed. All of us who attended the first Creekland sale, will remember the excitement as his first calves went into the auction ring. This was no accident, as you will see for yourself, when you examine the many half brothers and sisters in the herd today, and the calves by his son Creekland Lancelot.

This has always been a prolific working herd, kept in the kind of working condition that insures the highest percentage of conception and calving. If you have an eye for a good one in average flesh, unspoiled by excessive pampering and fitting, you will be able to do a great job of buying.

The name Creekland will always be respected in a pedigree. As has been the case of other great herds dispersed, breeders will long point with pride to the descendants of the cattle purchased in the Creekland dispersion. The breed will be strengthened by the sale of this large herd of royally bred cattle.

CAMSON PRINCE BOB (for reference only)—This imported in dam bull was sold in the 1950 Sale of Stars in Canada for \$8,000. We purchased him in the Femco Dispersion as a four year old for \$4,100. A son sold in that same sale for \$3,200. We had the misfortune of losing this great bull after one season, but he definitely left his mark in the Creekland herd. Several of his daughters are selling as well as an imported half sister.

CLAY HILLS BLUSTER—After seeing two outstanding calf crops by this bull—not a horned calf among them—we purchased an interest in him late in 1957 with plans to use him artificially this year. He has never left the herd of Jerry White and Paul Barr, Calidonia Farm, Charles Town, Virginia. We feel he would have been a great asset to our breeding program. It may be that we may have a few females settled to his service by the time of this sale.

Standard Guarantee Endorsed by the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

We will be happy to meet your plane . . . and to take you back after the sale. You will find connections are good by plane from any direction to Greenville and Spartanburg, each about an hours drive from the farm. Be sure to let us know in advance, if you can, of the time of your arrival. Last minute messages should be phoned to Walter Shuman, Clinton, 1061 W-1.

LOUADA DEVELOPER—One of the greatest sires of our day. He still has a lot of service left and it will be a wise man who acquires him in this dispersion. An imported-in-dam bull, he is the only son of Calrossie Highland Leader in service in this country. His most famous son, Creekland Lancer, was sold for \$2,100 to Oakwood Stock Farm, Ashville, Ohio, in our first sale and later went on to become the 1955 International grand champion. Creekland Lancer is a close approach to the perfection we all seek. Two other sons were sold in that first sale, both under a year old, for \$1,375 and \$750. Louada Developer has been siring great calves ever since. We have just sold an eighteen month old heifer in the 1958 South Carolina Shorthorn Sale for \$1,000. He stamps every calf with his great pattern. Last year he settled 86 per cent of the cows bred to him on the first service. A bull of great scale and ruggedness, a world of natural fleshing. His calves are great doers. He is in good working condition and an easy keeper, but we will not hamper his future usefulness by fitting him for this sale. The uniformity of his calves on unrelated females is exceptional. Truly one of the great sires that will be sold, and a bull with a stock bull's pedigree.

Creekland Lancelot x. Sells as Lot 2. Photograph taken in 1956. This is the son of Louada Developer selected by Creekland for their own use. He closely resembles the pattern of his famous brother, the 1955 International grand champion, Creekland Lancer x.

CREEKLAND LANCELOT x—This is the son of Louada Developer that we kept for our own use. He was just a little younger than Creekland Lancer in our first sale so we did not sell him and have turned down many good offers for him ever since. His calves on the ground now prove we were right. Visitors have found it difficult to tell the Louada Developer and Creekland Lancelot x calves apart. His dam is a great producing Lynnwood cow. Here is a bull with style, balance, wonderful bone and good lines. He has been used heavily and will not be in high flesh. Many of the females are carrying his service. The gamble is taken out for the man who wants a top herd bull.

Creekland Rosebud L 2d x. Sold in a former Creek-land sale. Her dam, Lynnwood Rosebud 2d x, sells as Lot 18. Lot 3 is also out of Lynnwood Rosebud 2d x.

CREEKLAND DEVELOPER 31st—Possibly the greatest prospect for a show bull in the sale. He is young and isn't as far along as many, but the good cattlemen will recognize him. A calf with size, bone, smoothness, depth and thickness.

Louada Glorious. This son of Calrossie Armada was used in the Creekland herd with success and then sold to Odom Reese, Warrenton, Georgia. He is the sire of Lot 7.

CREEKLAND GLORIOUS 2nd—A bull with a great polled head, lots of thickness and depth. His dam is a heavy milker. We purchased the dam in the 1953 Birmingham sale in Canada. The sire, Louada Glorious, was purchased at private treaty from Louada as herd bull insurance, and we later sold him to Odom Reese, Warrenton, Georgia where he is doing a great job. In our 1956 sale, a number of heifers were sold bred to Louada Glorious, and the calves by him have done exceptionally well for the buyers.

WINWOOD ROSAMOND 2nd—Another of our National Polled Congress grand champion females. She was the grand champion of the 1955 National Polled Shorthorn Congress where we bought her for \$1,500, and along with her half sister made up the best pair of females. A full sister was the top open heifer of the Oakwood Blood Bank sale. Has her second calf at foot by Louada Developer and is bred to Creekland Lancelot x. A great cow with an outstanding past and a great future.

The famous Creekland Lancer x, 1955 International grand champion Polled Shorthorn bull. Two full sisters sell . . . Lots 25 and 26.

CREEKLAND CINDERELLA C—It would be difficult to write a more attractive pedigree. Her dam was purchased by Creekland for \$3,700 in the 1953 Campbell sale. This heifer was the calf she was carrying by Calrossie Cock Robin, the famous Campbell sire that now heads the R. E. Smith herd in Texas. Bred to Creekland Lancelot x, and will be right up to calving time by sale day.

This photograph taken in 1950 shows a few of the females and breed character.

were purchased for the herd. Notice their depth, roominess,

. . . to this Treasure Chest of Shorthorn and Polled Shorthorn Royalty

This will be the largest sale of the breed ever held in the Southeast. With this many being offered there are bound to be bargains . . . and in the kind of cattle that can take a permanent place in your herd building program. Whether you want one or a truckload you can fill your needs in this dispersion. This is a hard working, prolific herd, with a high calving and conception rate. The cattle will be sold in breeding condition.

Even though this is a dispersion all of the cattle are being sold under the Standard Guarantee of the American Shorthorn Breeders' Association.

Saltoun Queen Marie 5th. This daughter of Saltoun Queen Marie 2d, Lot 35, was sold in the 1955 Creekland sale for \$1,000 to George Reeves, Thomson, Georgia.

CREEKLAND BROADHOOKS M—Her dam, the imported Millhills Broadhooks 18th, was purchased for \$1,900 in the 1953 Birmingham sale in Canada. Any person who understands the finest Scottish breeding will immediately recognize this exceptional pedigree. She is a heifer that backs it up. Thick, deep, rugged and straight lined. Nothing other than a complete dispersion would bring about the sale of such a female. Her mother died when she was six months old, and we could not get this calf on a nurse cow.

HELP YOURSELF
TO FUTURE PROGRESS

The Creekland herd was founded on a selection of the finest imported Shorthorn and best Polled Shorthorn individuals obtainable.

Creekland productions are a result of this blend.

This is YOUR OPPORTUNITY to capitalize on the hard work and capital investment of someone else. YOU can start at a point that it has taken Creekland years to reach.

Anticur Royal Stamp. An outstanding sire in Great Britain of A. J. Marshall breeding. Lot 39 is a daughter.

CREEKLAND LADY LYRIC—Another chance to buy a polled Camson Prince Bob heifer. We had planned on keeping all of them. Would have made a show heifer if pushed. Bred to Louada Daveloper.

This Creekland bred steer was the grand champion over all breeds at the 1955 Spartanburg District Fair, one of the largest steer shows in the Southeast. The club project of Ardith Norton, this steer weighed 1,100 pounds and sold for \$1.00 a pound. His dam sells.

Creekland Orange Blossom C. Sold for \$500 in the 1955 Creekland sale to W. E. Watson, Anderson, S. C. Her dam sells as Lot 68.
